Since its beginning, la FONDATION HÔPITAL VÉTÉRIINAIRE VICTORIA has provided financial assistance to many pet owners for complicated and often urgent surgical interventions on their pet. We are pleased to report that more than 60,000\$ as been distributed for these cases and that all operations were successful.

To continue our activities we are seeking for partners to support the Foundation. Please look at the back of this page to find the sponsorship that fits your participation level.
